

Welcome to Field Training Detachment 10 Grand Forks AFB, ND

MISSION STATEMENT: Providing quality field training to the global warrior.

VISION STATEMENT: Training war fighters for the next century.

WHO WE ARE: Detachment 10 (Det 10) is an Air Education & Training Command unit permanently assigned to Grand Forks AFB, North Dakota. Det 10's parent unit, the 373d Training Squadron, is aligned under the 982d Training Group, 82d Training Wing, and is located at Sheppard AFB, Texas.

OUR GOAL: Det 10's primary mission is to provide the formal and informal technical instruction necessary to qualify personnel in the skills, knowledge and techniques required to operate, maintain, and troubleshoot the KC-135R aircraft and its associated ground support equipment. This is achieved both on-site and through Mobile Training Teams (MTTs). Det 10's secondary mission is to serve as technical advisors, to helping units solve maintenance problems. This may include troubleshooting system failures, analyzing maintenance data, or developing maintenance processes.
